**Be it known to all parties concerned that I _____
Am the owner of the property located at the address shown above and I take full
responsibility for the anchoring of a (size of shed) _____
Manufactured by (Name of manufacturer) _____ on
this property.**

**I agree that the anchoring of this shed shall be in compliance with the engineering
provided by the manufacturer of the shed or by a Third Party Engineer.
In addition, I agree that this shed will be installed in compliance with the setbacks
and any other terms and conditions set forth by the Zoning Department of the
county, city or town that has jurisdiction.**

**Upon completion of the installation of this shed I will call the Hardee County
Building Department for a Final Inspection to confirm that all terms, requirements
and conditions of this affidavit have been met.**
